INTRODUCTION

Présentation des données

Le présent recueil contient les statistiques d'inscription aux programmes de l'Université du Québec à Montréal pour l'année 2022-2023. Les statistiques d'inscription à chaque programme figurent dans des tableaux comportant le nombre d'étudiantes, d'étudiants selon le statut d'ancienneté, le sexe et le régime d'études. Chaque tableau contient les sous-totaux propres à chacune de ces catégories. Les mêmes tableaux sont constitués par faculté, par cycle et pour l'ensemble de l'Université. Le relevé des inscriptions par programme d'études est précédé de sommaires des données, selon certaines variables, correspondant à ces mêmes regroupements. On trouvera en annexe un tableau donnant la répartition, par centre, des inscriptions aux programmes offerts dans les centres d'études universitaires.

Définition des termes

Dans ces tableaux, les termes suivants seront utilisés:

- ÉTUDIANTE, ÉTUDIANT : Personne admise à un programme d'études et inscrite à une ou plusieurs activités de ce programme.
- PROGRAMME D'ÉTUDES : Ensemble des codes correspondant aux appellations historiques d'un programme donné.
- RÉGIME D'ÉTUDES : Sauf dans les programmes de cycles supérieurs avec recherche (voir le paragraphe suivant), une étudiante, un étudiant est considéré à temps complet s'il est inscrit à un minimum de 12 crédits par session; autrement, il est considéré à temps partiel.

Dans les programmes de cycles supérieurs avec recherche (maîtrise avec mémoire, doctorat, ...), l'étudiante, l'étudiant est considéré à temps complet ou à temps partiel en fonction du rythme d'études déclaré par l'étudiante, l'étudiant, et ce, pour la durée réputée maximale pour le programme de l'étudiante, l'étudiant. Par la suite, l'étudiante, l'étudiant est considéré en rédaction de thèse.

- NOUVEAU : L'étudiante, l'étudiant nouveau est celui qui s'inscrit pour la première fois au programme concerné (ou qui ne s'était pas
-

- inscrit depuis au moins un an, pour les étudiantes, étudiants libres).
- ANCIEN : L'étudiante, l'étudiant ancien est celui qui s'inscrit pour au moins la deuxième fois depuis son admission au programme concerné (à l'intérieur d'une période d'un an, pour les étudiantes, étudiants libres).

 - ÉTUDIANTE, ÉTUDIANT VISITEUR : Personne inscrite à un programme d'une autre université et qui poursuit au moins une activité à l'UQAM.

 - PROGRAMME CONJOINT : Programme offert conjointement avec une autre université. Ne sont comptés sous cette rubrique que les étudiantes, étudiants inscrits à un programme conjoint dans une autre université, mais qui suivent au moins un cours à l'UQAM.
 - STAGIAIRE : Personne qui ne postule pas de diplôme à l'UQAM et qui n'y est inscrite qu'à l'activité de recherche non créditée RECHER.
 - AUDITEUR : Personne participant à des cours sans postuler de diplôme et étant exemptée des épreuves (les cours ainsi suivis ne seront pas crédités).

Sources

Plusieurs rapports statistiques ont été publiés à chaque session par l'Université du Québec à Montréal et par l'Université du Québec. Ces rapports statistiques présentaient l'état du dossier étudiant au moment de la publication. En raison du mouvement constant du dossier étudiant (annulations tardives de cours, changement de programme de la part des étudiantes, étudiants, etc.), le contenu des rapports statistiques officiels est déterminé lorsque la très grande majorité des transactions à une session sont terminées. Ceci explique les légères différences entre les statistiques publiées dans ce document et celles publiées antérieurement. Voici la liste des rapports utilisés et la date de leur parution :
